

Name _____ Class _____ Date _____

Materials: You will need 5 different shaped leaves collected from the playground, crepe paper rolled into balls, a large piece of paper, a pencil and glue.

Buzz loves leaves but there are no trees at Antarctica. Can you help him?

On your paper, trace around the leaves you have collected. How many little balls of crepe paper will cover each leaf?

Estimate first, then cover.

leaf 1	leaf 2	leaf 3	leaf 4	leaf 5
