Answer Key

We have many body parts that we use to learn about the world around us. We use hands to **touch**, ears to **hear**, eyes to **see**, nose to **smell**, and our mouths to **taste**. These are called our **5 senses**.

Can you point to all these body parts?

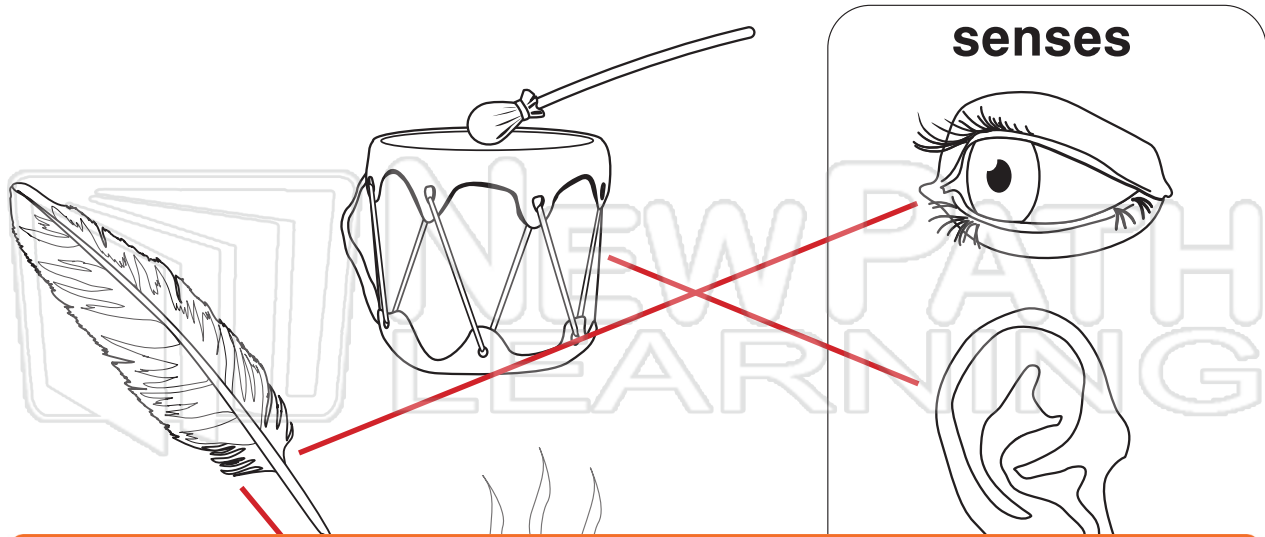

A row of ten diverse children standing on a green grassy field. Above them are four thought bubbles containing various educational icons: a cube, a microscope, a protractor, a globe, a test tube, a balance scale, a target, a molecular structure, a pie chart, a bar graph, a bar chart, and a calculator. Below the children, the word 'PREVIEW' is written in large, bold, blue and orange letters. Below that, the text 'Please [Sign In](#) or [Sign Up](#) to download the printable version of this worksheet' is displayed.

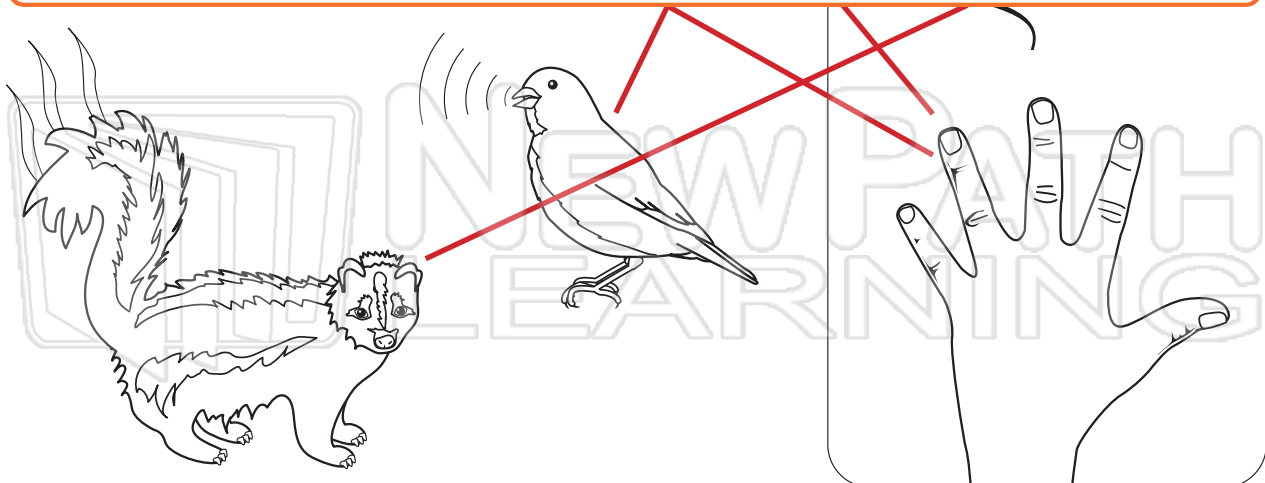

Answer Key - open-ended

Match the senses. Some match more than one object.
