

FACT/OPINION

A **fact** is information that is known to be true; it is a certainty. A fact does NOT change from person to person.

An **opinion** is a personal belief or idea. People do not always have the same beliefs or ideas.

Examples:

Fact = Ice cream is made with cream and sugar.

Ice cream IS made with cream and sugar, so this statement is a fact. You can prove that it is true.

Opinion

That is your opinion.
