

PROCESS WRITING

What Is Process Writing?

The **stages** that writers go through in order to complete a written piece are called the **writing process**, or **process writing**.

Examples:

- The stage at which writers **plan** their writing is called the **prewriting** stage.
- The stage at which writers **get their ideas down** on paper is called the **drafting** stage.
- The stage at which writers **change and correct errors** in their writing is called the **revising** stage.
- The final stage of the writing process, when writers **share their final products**, is called the **publishing** stage.
