ORDERING NUMBERS AND OBJECTS

What is Ordering?

- Ordering is when numbers or objects are in a sequence.
- They may go from smallest to largest.
- They may go from largest to smallest.

How to order:

- When ordering numbers from smallest to largest, find the smallest number in the set first. Then find the next smallest and so on.

  For example:

  Put these numbers in order **from smallest to largest.**

  4   3   6   9
