Name_____ Class_____ Date_____

1 Sebastian was saving all his money to buy a new bike. He did his chores, mowed his neighbor's lawn, and even collected cans to recycle. The day finally came when he had saved enough money for the bike.

Predict what happened next.

A Sebastian cried.
B Sebastian gave his money to his sister.
C Sebastian stayed home.
D Sebastian went to the store to buy a bike.

2 Carla was baking. Carla set an egg on the counter and reached for another ingredient. When she turned back, Carla saw the egg rolling to the edge.

Predict what will happen next.

A Carla started laughing.
B Carla ate the egg.
C The egg fell on the floor.
D The egg bounced off the floor.

3 Denise overheard her Mom talking about her surprise party on the phone. She knew everyone worked hard to plan her party and keep it a surprise. Even her sister kept the

4 Max did not take enough time to prepare his class presentation. He slapped it together the night before it was due, instead of working on it all week. It was going to count...

7 Sheila was kind to Scooter and he loved her attention. One day, Sheila said hello to Scooter. When she bent down to pet Scooter…

Predict what happened next.

A Scooter bit her hand.
B Scooter growled.
C Scooter licked her hand.
D Scooter scratched her.

...was finished. As they were working on the tree house, they ran out of wood.

Predict what happened next.

A Ian and his Dad went to buy more wood.
B Ian said he didn't want the tree house any way.
C Ian took apart the tree house.
D Ian's Dad was happy.

9 It was picture day at school. Sarah loves getting her picture taken. She always wore a nice dress and made sure her hair looked perfect. While Sarah was eating breakfast before school, she accidentally spilled grape juice on her dress.

Predict what probably happened next.
A Sarah went back to bed.
B Sarah threw the grape juice.
C Sarah changed her dress.
D Sarah wore the dress to school anyway.

10 Tim and Beth were surprised when it snowed in March. They built a snowman. The next day, the weather warmed up again and everything melted.

Which is a reasonable prediction?

A They built a snow fort.
B They went sledding.
C Their snowman melted.
D They went swimming.
