

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

1 Trisha asked Jenny for help with homework, but it seemed that Trisha only talked to Jenny when she needed something. Jenny would not be taken advantage of!

The reader interprets Jenny's feelings to be:

- A thrilled.
- B accepted.
- C annoyed.
- D panicked.

2 Augustus heard the cathedral bells chime. He put on his sandals and descended the stairs. The knight who was his mentor was waiting for him.

The setting of this scene could be interpreted to be:

- A Medieval times.
- B Ancient Roman times.
- C Colonial times.
- D modern times.

3 Principal Parker had to laugh. Even though Johnny was breaking an important rule, it was hilarious to see his pet pig follow him into the school!

4 Susan considered who could have taken the diamond necklace from her parents' room last night. Her brother and sister both had friends who...

7 United States were Model T's. Henry Ford had perfected the moving assembly line.

From this text, it is clear that Ford invented the automobile.

- A true
- B false

movie. Her sisters had never even asked if she wanted to go!

Zelia believed:

- A two people went to see an adventure film.
- B her sisters went to the movies without her.
- C her sisters tried to find her, but couldn't.
- D two tickets were accidentally torn.

9 Jamil saw his dog limping to the door and howling. It scared him and he thought that his poor dog was about to die!

Jamil interpreted his dog's behavior to mean the dog's health was in grave danger.

- A true
- B false

10 I didn't need my art teacher to tell me I had talent; I've always simply had to paint. If I could earn a living from it, great, but even if I couldn't, it was the only way I could express myself.

One understands that this person is \_\_\_\_\_.

- A frustrated
- B an artist
- C desperate
- D an art teacher
