

Name _____ Class _____ Date _____

1 Joey liked his teacher, Mr. Howe. He was a fair and easy going teacher. One night Joey played soccer late and didn't do his homework.

What should Joey do about his situation?

- A say he was sick because he'd get more time
- B figure out his grade, then decide
- C tell about the game and demand more time
- D tell the truth, and see if there is extra work he needs to do

2 Eddy had a high opinion of his cousin Jake. He was funny, a good athlete, and included Eddy in games when they were together. Eddy was shocked to see Jake be cruel to their dog, Sheba.

Based on what he saw, Eddy's opinion of Jake changed.

- A true
- B false

3 Taylor thought the boys in Chess Club were all nerdy, boring, and not cute. She met George who was a lot of fun and good looking. She couldn't believe he was in

4 Melanie rode her bike to Cheryl's house. The rule was to be home by dark. Cheryl's puppy escaped and Melanie stayed late to look for him.

7 wants and expects others to do what she wants to do.

Tara's opinion is that her parents' role in her life is to make her happy.

- A true
- B false

tutoring. Ben is resourceful and wants to find a way to hire a tutor.

What would be the best judgment for Ben?

- A find a tutor to help in exchange for yard work
- B convince his mother to take a second job
- C ask a classmate to help him
- D get better by doing more math problems

9 Mike was his team's best player, and he loved attention. When he got the ball, he scored. The coach played all the boys, even if it meant giving up points.

Mike probably thought the coach should make sure the ball was thrown to him.

- A true
- B false

10 Abby believed her sister, Emma, was selfish and always got her way. On Saturday, Abby wanted to go on her friend's boat. Emma agreed to do Abby's chores that day if Abby did Emma's chores for the next week.

Abby's opinion of her sister changed.
