

Name _____ Class _____ Date _____

Counting Carrie has been helping her dad mark lines on the sports field for the school sports carnival, using a line marker. The line marker makes a clicking sound every time it marks a meter.

1. Carrie walked the marker and heard 100 clicks. How many meters had she marked?.....
2. They need to mark 4 lines for the 200 meter relay. Each line will be exactly 200 meters long. How many clicks will Carrie hear?
3. Carrie has marked the boundary of the field and heard 800 clicks.
