

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

Mrs Measure has ordered a pizza for the family. Because everyone likes different toppings she asked for the pizza to have four different quarters.

- ☆ The first topping had ham and pineapple.
- ☆ The second topping had cheese, pepperoni and olives.
- ☆ The third topping had prawns, capsicum and cheese.
- ☆ The fourth topping had mushrooms, olives, cheese and ham.

Can you work out which topping is for which person using the clues below:
