

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

1 Measures of Central Tendency are mean, median, and mode.

True or false?

- A true
- B false

2 The mean is the number that occurs the most.

True or false?

- A true
- B false

3 The mode is found by adding all the numbers in a set of numbers and then dividing by how many numbers are in the set.

4 When a set of numbers has been written in numerical order, the middle number is the median.

True or false?
